MEMORANDUM FOR: Project Security Officer

25X1 **SUBJECT** : Briefing of the Chief [redacted]
25X1 [redacted]

REFERENCE : Same Subject, SAPC - 4921, dated 4 April 1956

1. I have read the referenced memorandum and agree that [redacted]
[redacted] should receive a further briefing which would allow him
to define the suppliers and the type of aircraft involved between Project
ACUATONE and [redacted]. However, I believe that he should be
given only the barest, essential facts, without elaboration of the mission of
Project ACUATONE. I would further suggest that you not only discuss this
matter with [redacted] prior to a further briefing of [redacted]
[redacted] but, if at all possible, that [redacted] accompany you when
you see [redacted] again.

2. Please keep me informed concerning any further briefing of [redacted]
[redacted]
